- JAN 21ST-** Reading and conversation about the Revolution Starts at Home hosted by Nightshade @ TBD

On the day of Trump's inauguration over 200 protesters were illegally mass arrested and charged with 6 felonies (potentially 60 years in prison). This is the political repression of Trump's administration. Antifascists across the country need our support as they spend hundreds of dollars and hours going to trial.

COME HANG AND SUPPORT

MAKE RACISTS
AFRAID AGAIN
